1. Prizes paid or committed to winners.
2. Prizes which are unclaimed for a period of 366 days (see Rule 11 (g)) after the drawing date in which the prize was won and voted by the Commission to be included in a designated drawing or promotion.
3. Agent bonuses will be 1% of the annuitized value of any single winning jackpot ticket, but not to exceed a maximum of \$30,000 per winning ticket and 1% of the second tier prize of \$30,000 per winning ticket. Whenever a winning Megabucks Plus® ticket is sold in a New Hampshire State Liquor Store, the agent bonus will be paid to the Liquor Commission employees of that store in a manner decided and managed by the Liquor Commission.
4. Special prizes or bonuses as specified by the Commission to maintain public interest in the game.

(b) The Commission shall determine the distribution of the prize pool and shall announce the prize structure in appropriate directives.

(c) In the case of an unclaimed jackpot ticket, upon the expiration of 366 days (see Rule 5(e)) after the drawing date in which the prize was won, the prize shall revert to the expired unclaimed prize pool.

(d) At least once a year, the Commission shall be required, no later than September 14, to make a decision as to the disbursement of expired unclaimed prize money.

(e) All prizes must be claimed as directed within 366 calendar days of the drawing in which the prize was won. For purposes of determining the claim period, the first (draw) day shall be excluded, and the last day included. In the event the last day falls on a

Saturday, a Sunday, or a legal holiday, the time to claim shall be extended to close of business on the next day thereafter when Lottery offices are open for business. Any prize not claimed within the specified period shall be forfeited.

The minimum cash value for a Megabucks Plus® top prize pool shall be one half the annuitized value of the top prize pool, until such time as the top prize pool is self funded, as determined by the Commission.

(g) In the event of a winning ticket(s) for a draw prior to the first self funded top prize pool, if there are insufficient funds to fund the minimum top prize pool, the Tri-State Business Office shall transfer funds from the Tri-State contingency account(s) necessary to fund the minimum value for the top prize pool established for the winning draw number.

(h) An amount equal to .97% of the value of the gross, non-cancelled sales for each drawing shall be deducted from the top prize pool and placed in trust in a prize reserve account to be used for future Megabucks Plus® prizes won in excess of a drawing's expected low tier prize amount, or, to fund any guaranteed minimum jackpot. Additional amounts may be deducted from the top prize pool and added to the prize reserve as directed by the Commission. The Commission shall establish a maximum balance for the Prize Reserve Account (PRA). Once the Prize Reserve Account exceeds the designated amount, the excess shall become part of the Top Prize pool. The Commission may determine to expend all or a portion of the funds in the account for the payment of prizes or special prizes in the game. Any amount remaining in a Prize Reserve Account at the end of this game shall be carried forward to a replacement game Prize Reserve Account or expended in a manner as directed by the Commission and in accordance with state law. (Comment: The intent of this language is to contribute .97% of sales to a guaranteed jackpot contingency fund. Once the jackpot is self funded an additional \$15,000 shall also be contributed to the fund until the fund exceeds a designated amount. The established maximum balance or designated amount is set at \$1,000,000.)

In the event of a dispute or other instance of doubt, the decision of the director shall be final and binding. If the director determines that the ticket is not eligible to receive a prize, then the director may, at the director's option, replace an invalid, defective or otherwise erroneous ticket with a ticket of equivalent sales price from any current Lottery game. Replacement of the ticket shall be the bearer or claimant's sole and exclusive remedy.

During the five-day processing period, the ticket holder(s) may add or substitute other persons as co-holders or trustees. This must be a written, notarized request from the original holder(s) to the state Lottery office where the ticket was validated. After the five (5) day processing period has been completed, the state Lottery office shall release or mail the prize payment to the ticket holder(s) and/or any co-holders or trustees designated in writing. 7. The minimum annuity payment over thirty years is \$15,000. In the event of multiple prize winners, should any thirty year prize fail to pay a minimum of \$15,000 per annum, the Tri-State Lotto Commission® will pay the winner(s) a lump sum payment. The payment will be made from available cash in the jackpot prize pool. The payment will not be doubled to approximate the publicized annuity estimate.
