

FEBRUARY 5 — MARCH 29!

HOW TO PLAY IN 5 EASY STEPS

- 1 DOWNLOAD APP** | To download the Power Cruise app, you can go to Google Play™ or iTunes or scan the QR code on a qualifying POWERBALL® ticket or in this brochure.
- 2 REGISTER** | Select "Vermont" and register your contact information on the Powerball Power Cruise app or go to vtlottery.com/promos. You only need to register once and you will receive a confirmation email sent to the email address you provided. Please check the junk mail or spam folder if you do not receive the confirmation email right away. You must confirm registration before you can log in to enter your tickets. After confirming your registration, you can log into your account at any time using a smartphone, tablet or computer. Your game cards, symbols and entry history can be viewed across multiple platforms.
- 3 SCAN POWERBALL TICKETS** | Use your smartphone or tablet to scan the barcode on a qualifying POWERBALL ticket purchased from Sunday, February 5 through Wednesday, March 29, 2017. If you prefer, you can manually enter the 30-digit POWERBALL ticket number in the Powerball Power Cruise Promotion on vtlottery.com/promos. A ticket can be used only once to collect symbols — either by scanning or by entering the ticket number.
- 4 COLLECT SYMBOLS** | There are 5 symbols and a "free spot" on each card. For each \$1 spent on a Powerball ticket (scanned or entered manually), 1 of 5 symbols will be randomly generated and placed on a card. You will have three active game cards. Every time you scan a POWERBALL ticket, symbols will be randomly selected and will appear in the next available spot on one of your three game cards. When a filled game card has been entered into a drawing, the symbols will be cleared and you can begin to collect more symbols.
- 5 EARN ENTRIES** | When all six symbols have been collected on a game card, you will automatically earn one entry into the next available Power Cruise drawing.
